Inter House Swimming Carnival Success

Congratulations Moongunya Miners on a close win in the 2016 Interschool Swimming Carnival. I was impressed with the exemplary behaviour of the older students who were extremely helpful on the day. All students tried their best and showed off all the hard work undertaken during school swimming lessons this term. Well Done! It was great to see so many parents this year, helping and supporting this important event. I would like to thank Veronica Carroll for ensuring the pool looked amazing and staff who ensured the smooth running of the day. A special thanks to Mrs Vella, Mrs Ansen and Mr M for their work prior and on the day. Well done everyone!

Playground Up and Running– IMAGINATION PLAY

This week students enjoyed their first play on our amazing playground. I would like to thank Plants Whitsunday for their professional install and care to ensure a quality outcome during the construction last week. I credit their efforts during and incredibly hot week in Collinsville. The school is awaiting a grant for a shade structure and will shortly commence the time line of construction. Airlie Shade Sails will be completing the job. Hopefully, this term we will also see this project completed.

Welcome Mitch Baskett

Next week on Tuesday we welcome Mitch Baskett, our new HPE teacher to the community for the day. Mitch is looking forward to meeting parents in the morning and spending the day work shadowing Mr M. Please say hi if you see Mitch during the day. Mr Baskett will commence his contract at the beginning of 2016. I am looking forward to showing of what our town has to offer. He is a keen fisherman so I think a Barra hunt to the river will be on the list.

My name is Mitch Baskett, I am 22 years old and originally from Winton. I went to boarding school in Charters Towers for my high school years before moving to Townsville to begin my education degree at James Cook University. I enjoy watching and playing sport and some of my hobbies are fishing and playing golf. I am looking forward to joining the Collinsville community and meeting you all. I intend to work hard to ensure that my time at your school is successful and enjoyable for you and your children.

Hot Weather

Last week we experienced severe heat and extreme weather. As we approach the end of the term and even hotter weather can I remind parents to ensure the following precautions. Please ensure your child has:

- A wide brimmed school hat
- Water bottle (large)
- Sunscreen applied prior to school (optional)
- Cool clothing (no pants or jacket/jumpers)

Classroom teachers are encouraging students to drink plenty of water during the day to keep everyone hydrated. Thanks everyone!

Foster carer. Could you be one?

Churches of Christ Care provide a vital safety net to more than 2,800 children across the state who often come from backgrounds of abuse or neglect, but we need your help.

If you have:
- a heart for children in need
- a desire to transform young lives
- a willingness to open up your home

We'd love to hear from you.
