Whitsunday Athletics

Congratulations to all students who participated in the Whitsunday Athletics Carnival held at the Bowen State High school on Tuesday this week. Annabelle Payne, Summer Brown, Bree Fisher, Suneth Liyanage and Deacon Whatuira. I am very proud of our student’s behaviour and team spirit during the day.

NAPLAN

Last week students received their NAPLAN results and I would like to congratulate all students in Yr 3 and 5 for their individual achievements. Yr 3 students did particularly well reaching the national minimum standards in all areas and two students achieving the highest banding results in nearly every section. NAPLAN is a point in time assessment which provides feedback on individual student progress. As a school we can identify common areas where our students are experiencing difficulty. I applaud all our students who tried their best on the day. Well done everyone!

Bacon Busters

A reminder that this Saturday is the inaugural Bacon Busters competition organised by the Collinsville State High School. As a community we know that this is a highly successful fund raiser for the high school and I encourage all our school families to attend the day and support this great event. Our wonderful P&C will again assist the Canteen in the evening. If anyone can help please contact our P&C this week. Thank you every one and happy hunting!

School photos

Last Friday school photo envelopes went out to parents to request payment for the school photo’s next week. All money needs to be returned prior to the day. School photos will be Wednesday the 17th August. Please ensure your child is dressed in full school uniform. Thank you!

Book Fair

We will be hosting book fair in the library over the next two weeks. We are running with an Australian theme. Ready Steady Read will be held in the court yard whilst book fair occurs. Miss Shelly will be available every day before and after school in the library. This event provides a great opportunity to purchase quality books with Christmas just around the corner. A final culmination will be a book parade and dress up day in Australian theme. Prizes and parade will happen in conjunction with our school assembly on Friday the 19th of August.

5 Week reward

To reward students who still retain Star Student Status up to week five will receive a fun filled afternoon this week of old fashioned ball games. This Thursday during the afternoon session we will hold this activity under the basketball court. Parents are more than welcome to attend and assist.

Attendance Week 5 term 3. Well done Collinsville State School keep up the great Attendance!
Our School Expectation for the fortnight: Make good choices & follow expectations-Safe hands & Safe Feet.

Congratulations Laura our highest fundraiser for our Colour Fun Run for RFDS she raised a massive $129.45 WELL DONE!

Friday Parade saw us say a final farewell to Mrs Colette Williams who has resigned from Ed Qld after dedicating 15 years of her teacher career and has now moved on with Cath Ed. We wish her all the very best, we presented her with a plaque for her to remember us by.
Our School Expectation for the fortnight: Make good choices & follow expectations—Safe hands & Safe Feet.

Persistence and patience have a magical effect before which difficulties disappear and obstacles vanish.” John Quincy Adams

The ability to persist at a task and see it through to the end is one of the most important success attributes that you can develop in a child.

There are numerous times every day when children must persist rather than give in. A young child learning to tie shoelaces must persist. A primary aged student must show determination to finish tasks and a secondary student needs to work through difficulties, particularly those he doesn’t understand or complete right away.

They need to be able to persist when work gets hard or life gets tough. They need the ‘stickability’ to work through difficulties and hang in there when things don’t go their way.

Some children are more naturally predisposed to persist than others. They have a determined, even competitive streak in their temperament that doesn’t allow them to give in. These children and young people can drive themselves very hard to succeed.

The results of the Australian Temperament Project show that persistence is the one temperamental factor that can be improved over time. Parents and teachers can develop persistence in children and also impede its development by making life too easy for children so that they don’t have opportunities to persist or hang in there.

Parents can promote persistence by encouraging their children to keep going and not give in at the slightest hurdle or difficulty.

- Develop a vocabulary for persistence
Words like “Hang in there,” “Work Hard” and “Hang in there” can become part of their every day vocabulary.

- Point out to children when they stick at a task
Most parents know it pays off when they catch their children being good but it also pays off to catch them being persistent. The behaviours you focus on as parents expand so let them know when they have been persistent. Also remind them that persistence generally pays off.

- Help children to remember times when they experienced success by HANGING IN when they were younger. Let them know that persistence has paid off before and it will again.

- Talk about HARD WORK with your children
They need to understand that to be successful they need to do things that are NOT fun or easy. While it would be good if all work and learning was fun, in reality, this is not always the case.

Student Money Saver – Kidz Club

Did you know?
We have Student Banking in Collinsville!
The Kidz Club is a club for primary school children aged 5-12.
To open an account, all you need to do is come into the QCUC
Collinsville Branch with your birth certificate and Parent or Guardian.

It is free to open the account. You receive a Cruckles piggy bank and deposit book
upon opening the account. It is a great way to teach children how to establish
regular savings.

We visit St John Bosco’s School and Scottville State School each Tuesday to collect
student banking.
If we don’t currently visit your school, you are still able to come into Collinsville
branch and deposit money into your account.

The Kids Club Saving Challenge
Between January 1 and December 31 of each calendar year, deposit at least $5.00
and make no more than one withdrawal in the same month over a period of 6
months within the same calendar year (January to December).
The Reward - All Members who complete the Kids Club Savings Challenge will
receive a special reward in January of the following calendar year!
This year kids received special Smiggle packs.

Please feel free to call me if you have any questions on 4785 5307.

Kind Regards,
Leola Janz
Team Leader – Collinsville
Queensland Country Credit Union

Foster carer. Could you be one?
Churches of Christ Care provide a vital safety net
to more than 3,800 children across the state who
often come from backgrounds of abuse or neglect,
but we need your help.

If you have:
+ a heart for children in need
+ a desire to transform young lives
+ a willingness to open up your home

We’d love to hear from you.
