Bowen River Rodeo
A massive thank you to our hard working P & C parents and staff who assisted on the gate at the recent Bowen River Rodeo and also Bill Raska who volunteered in the evening. Due to the large number of volunteers we were easily able to timetable the 12 hour shift required and share the load. Thank you again everyone for your support!

Softball Champions
Well done to Ijhaya Hancock and Bree Fisher who represented our school at last week’s Collinsville District Soft ball trials. Unfortunately our girls were unable to make the next level but played extremely well and did our school proud. Thank you to Ann-Marie Williamson for organising a great event, Sharon Ansen and her helpers for ensuring a smooth transition for all the tuck shop orders. Well done and Thank you!

Athletics Carnival
Congratulations to all students for a fantastic athletics carnival this week. It was pleasing to see the numbers of parents has grown in attendance this year. All students participated to the best of their ability and I applaud their outstanding behaviour during the day. Thank you to staff and parents who assisted to set up, Mr M and Mrs Vella for their organisation and careful planning and Miss Shelly for collating all the scores. Tuckshop was a huge hit and I would like to make a special mention to thank the following people. Kim Pyke for the donation of bread and assisting in the tuckshop, Kahlil Hutchings for the donation of sausages, Sharon Ansen for the donation of the poppers and assisting tuckshop. Gail and Tony Adams for cooking the BBQ and assisting in the tuckshop.

Congratulations to the Moongunya Miners who were the clear winners on the day. Better luck next year Devils!!

Star Student Day
As parents are aware each term we reward Star Students with an activity to celebrate Star Student Status. This week we will send out invitations to Star Students and permission forms to attend “Finding Dory” at the Bowen Cinema’s. It is extremely important that parents return the permission forms ASAP to ensure your child has the necessary requirements to travel on the bus.

Attendance
Whole School Attendance Week 10 Term 2                     Best Class Data for Week 10 goes to Yr 5. Well Done!! We can reach 93%!!!

End of an amazing term
As this will be our last newsletter of the term I would like to thank all our students, parents and staff for all your amazing achievements and hard work this term. We have conducted many important and significant events during this very busy and long term. A highlight was receiving our playground grant and the outstanding feedback from the school review team about our school. This term Collinsville State School has continued to promote great student achievements in our classrooms and fantastic outcomes. I wish all our families a safe and happy holiday period and look forward to seeing everyone again for the commencement of term three.

Holiday security
A reminder that our school is out of bounds over the holiday period unless there is permission from the school principal. I urge school community members to report any unusual behaviour immediately to 13 17 88 and always contact 000 if an act of crime is witnessed or in progress. Everyone’s eyes can keep our school safe and secure.
Our School Expectation for the fortnight Kind Thoughts Kind Words.

Teach children to persist

Parents can promote persistence by encouraging their children to keep going and not give in at the slightest hurdle or difficulty.

“Persistence and patience have a magical effect before which difficulties disappear and obstacles vanish.” John Quincy Adams

The ability to persist at a task and see it through to the end is one of the most important success attributes that you can develop in a child.

There are numerous times every day when children must persist rather than give in. A young child learning to tie shoelaces must persist. A primary aged student must show determination to finish tasks and a secondary student needs to work through difficulties, particularly those he doesn’t understand or complete right away.

They need to be able to persist when work gets hard or life gets tough. They need the “stickability” to work through difficulties and hang in there when things don’t go their way.

Some children are more naturally predisposed to persist than others. They have a determination, even competitive streak in their temperament that doesn’t allow them to give in. Those children and young people can drive themselves very hard to succeed.

The results of the Australian Temperament Project show that persistence is the one temperamental factor that can be improved over time.

Parents and teachers can develop persistence in children and also impede its development by making life too easy for children so that they don’t have opportunities to persist or hang in there.

Parents can promote persistence by encouraging their children to keep going and not give in at the slightest hurdle or difficulty.

Parents can be a sounding board for children’s gripes but they should show confidence in their ability to cope and get through their difficulties. “You can do it” is far more powerful in terms of promoting an attitude of persistence than “It is a little too hard then try something else.”

Let children know that there is a correlation between effort and success. In fact, they need to learn that by GIVING EFFORT they will more than likely experience more success. The ability to persist in the face of difficulties maybe an old-fashioned quality but it is one of the best success attributes that children will ever develop.

Here are four practical strategies you can use to promote a sense of persistence in your children:

1. Develop a vocabulary for persistence
   Words like “Hang tough”, “Work Hard” and “Hang in there” can become part of their every day vocabulary.

2. Point out to children when they stick at a task
   Most parents know it pays off when they catch their children being good but it also pays off to catch them being persistent. The behaviours you focus on as parents expand so let them know when they have been persistent. Also remind them that persistence generally pays off.

3. Help children to remember times when they experienced success by HANGING IN when they were younger. Let them know that persistence has paid off before and it will again.

4. Talk about HARD WORK with your children
   They need to understand that to be successful they need to do things that are NOT fun or easy. While it would be good if all work and learning was fun, in reality, this is not always the case.

Sarah Corkill & Christien Payne Lauren Payne have been nominated

Student Money Saver – Kidz Club

Did you know?
We have Student Banking in Collinsville!
The Kidz Club is a club for primary school children aged 5-12.
To open an account, all you need to do is come into the QCCU
Collinsville Branch with your birth certificate and Parent or Guardian.

It is free to open the account. You receive a Crakkles piggy bank and deposit book
upon opening the account. It is a great way to teach children how to establish
regular savings.

We visit St John Bosco’s School and Scottville State School each Tuesday to collect
student banking.

If we don’t currently visit your school, you are still able to come into Collinsville
branch and deposit money into your account.

The Kids Club Saving Challenge

Between January 1 and December 31 of each calendar year, deposit at least $5.00
and make no more than one withdrawal in the same month over a period of 6
months within the same calendar year (January to December).

The Reward - All Members who complete the Kids Club Savings Challenge will
receive a special reward in January of the following calendar year!

This year kids received special Smiggle packs.

Please feel free to call me if you have any questions on 4785 5307.

Kind Regards,

Leola Janz
Team Leader – Collinsville
Queensland Country Credit Union

Foster carer. Could you be one?

Charities of ChristCare provide a vital safety net to more than 2,800 children across the state who often come from backgrounds of abuse or neglect, but we need your help.

If you have:
• a heart for children in need
• the desire to transform young lives
• a willingness to open your home

We’d love to hear from you.
