Under 8’s Day success

Congratulations Collinsville State School on a brilliant Under 8’s day event. I was extremely proud of our student’s behaviour during the day and I think everyone would agree that the event was a huge success. A highlight was all the attention our community received with the appearance of seven local news. A huge thank you to many volunteers on the day who assist in various ways such as the donation of baked goods, helping in the tuckshop and activities during the morning. A special thanks to Mrs Vella and Mrs Rasca who worked extremely hard behind the scenes prior to Under 8’s. Your careful organisation made everything run smoothly on the day. Well done everyone!

We got our new Playground!!!!!

A few weeks ago the school was notified by the local member Dale Last that our school had received a grant of $35 000 from the gaming fund. I would like to share the reason for this is the tireless work and dedication of Lauren Payne and Sharon Ansen. They worked many hours writing the application in their own time. Thank you Lauren and Sharon! Now, as a result we can commence planning and designing a new playground. The site will be at the front of the multipurpose structure facing the main entrance of Devlin Street. We will commence planning shortly with the assistance of our P & C. We will share our journey with the school community as we commence this exciting project.

SWPBS

The focus of behaviour in our school this fortnight is Being Respectful: Kind thoughts and Kind words. In the three classrooms we will be discussing how to share kind thoughts with others. We are using the language of being a “bucket filler” Through various activities and social skill lessons we are asking students to fill up each other’s buckets with kind thoughts and words.
School Gates Closed between 8:15-9:00am and 2:15-3:00pm, no traffic in or out between these times please.

In our classrooms!

Year 2/3 have been demonstrating their artistic skills in our colours art unit. This week students used a variety of primary and secondary colours to represent cool and warm colours on an outline of a tiger. After painting students completed a reflection, which involved creating a title for their artwork, listing the primary colours they combined to create a secondary colour and describing how their artwork makes them feel.

**Student Money Saver – Kidz Club**

Did you know?
We have Student Banking in Collinsville!

The Kidz Club is a club for primary school children aged 5-12.
To open an account, all you need to do is come into the QCCU Collinsville Branch with your birth certificate and Parent or Guardian.

It is free to open the account. You receive a Crackle piggy bank and deposit book upon opening the account. It is a great way to teach children how to establish regular savings.

We visit St John Bosco’s School and Scottville State School each Tuesday to collect student banking.

If you don’t currently visit your school, you are still able to come into Collinsville branch and deposit money into your account.

**The Kids Club Savings Challenge**
Between January 1 and December 31 of each calendar year, deposit at least $5.00 and make no more than one withdrawal in the same month over a period of 6 months within the same calendar year (January to December).

The Reward - All Members who complete the Kids Club Savings Challenge will receive a special reward in January of the following calendar year!

This year kids received special Smiggle packs.

Please feel free to call me if you have any questions on 4785 3307.

Kind Regards,

Leola Janz
Team Leader – Collinsville
