**Student Internet Access Agreement Form**

I understand that the Internet can connect me to useful information stored on computers around the world.

While I have access to the Internet and email:

1) I will use it only for educational purposes.

2) I will not look for anything that is illegal, dangerous or offensive.

3) If I accidentally come across something that is illegal, dangerous or offensive, I will:
   - (a) clear any offensive pictures or information from my screen; and
   - (b) immediately, quietly, inform my teacher.

4) I will not reveal home addresses or phone numbers - mine or anyone else's.

5) I will not use the Internet or e-mail to annoy or offend anyone else.

6) I understand that if the school decides I have broken these rules, appropriate action will be taken. This may include loss of my Internet access for some time.

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers; and that a very small part of that information can be illegal, dangerous or offensive.

The system has changed with regard to the way EQ schools access the internet and as a result all EQ students have been allocated a user account that gives them access to an email account. It is possible for students to have access to the internet at school, and have the email disabled. Please indicate your preference with regard to your child having access to an Education Queensland email account on the form below and return the signed form to the school office.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _________________________________ (Name of student) understands this responsibility, and I hereby give my permission for him/her to:

- [ ] Access the Internet under the school rules. __________ Yes / No
- [ ] Have access to an Education Queensland email account __________ Yes / No
- [ ] I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
